EXPLORING FOR THE FUTURE

PROJECTS 2016–2020

- Geological Thickness Mapping ▼
- Tennant Creek - Mount Isa ▼
- Coompana Drilling Program
- Southern Stuart Corridor
- East Kimberley
- Surat and Galilee basins

- AusArray ▼
- Northern Australia Geochemical Survey ▼
- Kidson Sub-basin
- Upper Burdekin
- Northern Stuart Corridor

- Northern Australia Hydrogeochemical Survey ▼
- Geochronology and Isotopic Mapping ▼
- South Nicholson Basin ▼
- Barkly Seismic Survey ▼
- ICT Projects ▼

- AusLAMP ▼
- AusAEM ▼
- Program Management Office
- East Tennant ▼

PROJECTS 2020–2024 / MODULES

Australia's Resources Framework ▲
- Temporal Controls
- Mineral Occurrence
- National Geological Mapping
- AusAEM
- AusLAMP
- AusArray
- HiQGA
- Mineral Potential Mapping

- National Geochemical Framework
- Isotopic Atlas of Australia
- National Mine Waste Assessment
- Geochemistry for Basin Prospectivity
- Economic Fairways
- Lithospheric Geophysics
- National GravMag Inversion
- Airborne Geophysics over Tasmania

Australia's Future Energy Resources
- Energy Resources Assessments
- Hydrogen Studies
- CO2-Enhanced Oil Recovery of Residual Oil Zones
- Onshore Basin Inventories

National Groundwater Systems
- Regional Assessments and National Inventories for Groundwater
- Integrated Workflows and Technologies to Enhance Groundwater Science
- National Groundwater Information and Data

Darling-Curnamona-Delamerian
- Deep Crustal Reflection Seismic
- MT Extensions to the Curnamona Cube
- Curnamona-Delamerian Mineral Potential Assessment
- Upper Darling River Groundwater Investigations

- AEM Infill
- Curnamona Geochemistry
- Regional Stratigraphic Drilling
- Curnamona-Delamerian Geological Framework

Barkly-Isa-Georgetown ▲
- East Tennant National Drilling Initiative
- South Nicholson National Drilling Initiative
- AusLAMP
- Mine Waste Assessment

Officer-Musgrave-Birrindudu
- Officer-Musgrave Palaeovalley Groundwater Systems
- Officer Basin Geology and Stratigraphy Studies
- Birrindudu Regional Basin Studies

Enhanced Data Delivery ▲
- Data Compilation
- Database Development
- Web Services and Geoprocessing
- Portal
- Toolkit and Automation
- General Information Services Support
- GeoWRAPA

Geoscience Knowledge Sharing
- Remote Community Education
- Building Relationships with Aboriginal Peoples
- Communication, Promotion and Publishing
- Mobile Laboratory
- Land and Air Access Stakeholder Engagement
- The Rocks that Shape Australia

MINERAL FOCUS
- Mineral project
- Mineral project module

ENERGY FOCUS
- Energy project
- Energy project module

GROUNDWATER FOCUS
- Groundwater project
- Groundwater project module

- Continental-scale project
- Continental-scale module
- Extended work ▼
- Extension of previous work ▲

- Deep dive project
- Deep dive module
- Extended work ▼
- Extension of previous work ▲

- Program-support project
- Program-support module
- Extended work ▼
- Extension of previous work ▲
